RE: Worker Adjustment and Retraining Notification Act
Automotive Components Carrier, Inc., G2051W. Bristol Rd., Flint, MI 48507
Automotive Components Carrier, Inc., 7100 Millett Hwy. Ste. 250, Lansing, MI 48917

Dear WARN Act Officer:

This letter is to inform you that the undersigned represents Automotive Components Carrier, Inc ("ACC"). This letter constitutes written notice to you pursuant to the notice requirements of the WARN Act legislation. ACC maintains terminals at:

G2051W. Bristol Rd., Flint, MI 48507
7100 Millett Hwy. Ste. 250, Lansing, MI 48917

At present, ACC employs approximately 155 individuals at its Flint/MI and Lansing/MI terminals, approximately 60 persons will be affected by this loss of work. The individuals employed by ACC at these locations are represented for purposes of collective bargaining by the UAW, Local Union 659.

Due to the unexpected loss of a fair market bid, ACC will no longer be providing General Motor's ("GM") with certain transportation services, and will permanently reduce operations in support of this account at its Flint and Lansing sites effective with the close of business on December 30, 2017. That closure could result in the permanent layoff of any of the individuals identified on the attached Exhibit.

We deeply regret having to provide you with this notification. If you should have any questions regarding this matter, do not hesitate to contact me at 810-237-4231.

Sincerely,

Timothy Warner
Operations Manager
